Sub: Supersession of the Managing Committee under Section 78(1) of the Maharashtra Coop. Societies Act 1960 as applied to the Union Territory of Goa, Daman and Diu read with Rule 61(2) of the Cooperative Societies Rules 1962.

Shri Navadurga V. K. S. S. Society Ltd., Madkaim-Ponda was registered on 29-8-1963 under registration No. RES-(c)-64/Goa. The main objects of the society are to bring about the agricultural development in the area of operation of the society and to improve the economic conditions of its members by providing them agricultural loans and other requisities in cash and kind. The working of the society was more or less normal since its inception, however, recently the members of the society in the Special General Body Meeting held on 25-10-72 have resolved to wind up the affairs of the said society. But the position of the society does not warrant such a drastic action as there appears to be ample scope for improving the society in view of the recent developmental schemes extended by the M. F. A. L. Agency and other Agencies/Units and it is felt that the Managing Committee of the society be superseded.

In the circumstances a notice under Section 78(1) of the Maharashtra Cooperative Societies Act 1960 as applied to the Union Territory of Goa, Daman and Diu, read with Rule 61(2) of the Cooperative Societies Rules 1962 was issued to all the Managing Committee Members of the aforesaid society requesting them to show cause as to why the Managing Committee should not be superseded within 15 days from the date of issue of the said notice. However, it is gathered that they have nothing to say in the matter and agree to the Managing Committee being superseded. In view of the aforesaid, I remove the Managing Committee of the said society and pass the following order:—

Order

Short recital of the case

The Goa Dock Labour Union (hereinafter called the Union) representing the Workmen of Barge Repair Workshop at Cortalim, vide their letter No. 512/VMS/WS/72 dated 12th August, 1972, along with the enclosure demanded from the Management certain benefits, such as, Additional/Variable Dearness allowance, Medical Benefits, Washing Allowance, shoes, etc. for the workmen employed at the above workshop.

The Management contended that as the workmen were already covered by a Memorandum of Settlement signed between the Management and the workmen on 16th March, 1971, expressed their inability to concede to any of the above demands. The Management further stated that the

position can only be reviewed after the expiry of the said settlement. The Union repeatedly approached the Management for their reconsideration in the light of similar settlement signed with M/s. V. S. Dempo & Co. Pvt. Ltd., Barge Repair Workshop at Vaddem. To this, the Management contended that there is no comparison between the two establishments as they are already paying to their workmen higher wages than those existing in the workshop of M/s. V. S. Dempo and other comparable workshops. As the parties failed to reach a settlement, the workmen went on strike with effect from 14th November, 1972. After the strike, the matter was admitted in conciliation and after series of discussions before the Labour Commissioner the parties adjourned again for mutual discussion on 14th December, 1972. On 15th December, 1972 the parties again met and finally agreed to the following:—

Terms of Settlement

1. The workmen agreed to resume duty forth i.e. from the general shift on 21st December, 1972.
2. It is agreed further between the Management and the Union that the parties would sign a separate settlement for referring the above dispute for the arbitration under Section 10A of the Industrial Disputes Act, 1947. This arbitration agreement will also be signed simultaneously with this Memorandum of agreement and the parties agree to forward the copies of the same for registration and further action.
3. The Management agree to withdraw the termination letters issued, if any, to those workmen who have completed more than 6 months service without a break of not more than 10 days.
4. In case the agreed arbitrator, Advocate Shri Pandurong Mulgaocar declines to be an arbitrator to this dispute, the parties shall choose by mutual agreement any person from the arbitration panel maintained by the Government of Goa, Daman and Diu (Arbitration Council). In the case of disagreement between the parties in the selection of an arbitrator, one from such panel shall be chosen by lots.
5. The Management agree to advance an amount equivalent to 1½ month's wages (gross wages) to each workman who were on the rolls of the Company on the previous day of the strike i.e. on 13th November, 1972 and who did not report for work with effect from 13th November, 1972. It is agreed between the parties that the said advance shall be deducted and/or adjusted against the benefits, if any, arising out of the said arbitration award, in full and/or recovered from their wages in six equal monthly instalments within six months from the date on which the arbitration award referred to in Clause (4) above comes into force.
6. The casual and temporary workmen who put in more than 90 days continuous service and/or were on the rolls of the Management on 13th November, 1972 and who did not report for work with effect from 13th November, 1972, shall also be paid an advance equivalent to 15 days wages. The said advance shall be recoverable either from the benefits, if any arising out of the said arbitration award and/or legal dues payable to them.
7. It is agreed by the Management that the period of absence during strike, i.e. from 13th November, 1972 to 15th December, 1972 shall be treated as on leave provided that the workmen have to their credit earned leave/privilege leave to that extent. In case the workmen have no earned/privilege leave or no sufficient earned/privilege leave to their credit such absence shall be treated as leave without pay.
